## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Blue Oaks Elementary School opened its doors to kindergarten through fifth grade students in August 2004. It derives its name from the beautiful grove of Blue Oak trees that run through the north side of campus. As of December 2021, the school serves 488 in person TK - 5th graders. Each classified and credentialed staff member is committed to providing a joyful learning environment, in which the unique skills, talents and needs of each child are recognized. High expectations for behavior, effort and achievement compliment an academically challenging curriculum, based on content and performance standards at each grade level. A strong, home-school partnership is facilitated by high levels of parent participation and by ongoing communication to define and refine the school culture.

## 2021-22 School Overview

Blue Oaks continues to add STEAM programs in our quest to prepare our students for the 21st Century. In order to integrate technology and grade level curriculum, we have iPads in both transitional kindergarten and kindergarten, as well as our campus 1:1 with chromebook access for all students. The following enrichments are on hold due to Covid 19 safety precautions, but will continue to a part of the campus once possible. Blue Oaks maintains a hands-on Science Lab for all kindergarten through fifth grade students. In the area of arts, all kindergarten through fifth graders also receive weekly music education. Additionally, all TK - fifth graders participate in Starstruck Showcase (dance show) and we also have a Musical Theatre Program and Show Chorus offered as clubs.

Blue Oaks is fortunate to have a very involved Parent Teacher Club which provides a variety of activities for our students. Our PTC sponsors the school Carnival, Pancake Breakfast, Bear Stampede Fun Run, Family Dance, Field Day, and a parent social.

Blue Oaks also has strong ties with the community, evidenced by our annual Student Council sponsored food drive where the donations are given to the local food locker and our Toys for Tots Toy Drive.

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Roseville City Elementary held a public hearing on September 9, 2021, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

## School Facility Conditions and Planned Improvements

### General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the Maintenance Office.

### Maintenance and Repairs:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District annually inspects wheelchair lifts, tests fire extinguishers, inspects and services all playground backboards, replaces bark on playgrounds and landscaping, and services HVAC units.

### School Facility Good Repair Status:

#### Overall Summary of School Facilities Repair Status-Exemplary

The inspection included a check of possible gas leaks, mechanical systems, interior and exterior doors and windows, interior surface areas, structural damage, electrical, playground equipment, and hazardous materials. In all areas this school passed inspection.

### Cleaning Process and Schedule:

The District has adopted cleaning standards for all schools in the District. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### Deferred Maintenance Budget:

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repairs or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Since 2008- 2009 the State has suspended the program due to State Budget Reductions. The District still maintains its own program.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

#### 2021-22 Opportunities for Parental Involvement

Contact Blue Oaks Elementary School Principal, Nicole Cumbra, or Parent Teacher Club President, Erin Popplereiter, for more information about opportunities for parental involvement at Blue Oaks. Parents play many active roles in the education of our students, including: enthusiastic involvement as classroom volunteers, Parent Teacher Club members, Watch D.O.G.S., Site Council members, ELAC members, Art Docents, leadership of extra-curricular programs and fundraising campaigns. Over 90% of parents/guardians participate in Back to School Night, Parent-Teacher Conferences and Open House. The majority of parents/guardians participate in PTC events, including "Bear Jamboree", "Pancake Breakfast", and Book Fairs. Many also log onto to the Blue Oaks Parent Teacher Club Website ([www.blueoaksptc.com](http://www.blueoaksptc.com)) to stay abreast of school events and activities. The staff, students, and community of Blue Oaks Elementary School are committed to the belief that parent-school partnership is the foundation for successful student achievement, and parent involvement on our campus increases the success of all students. Some of our PTC sponsored events are on hold or modified due to Covid 19 safety precautions, but PTC continues to meet and support the families and staff.

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

| Subject            | School 2018-19 | School 2020-21 | District 2018-19 | District 2020-21 | State 2018-19 | State 2020-21 |

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

There are a variety of purposeful programs and practices embedded in the Blue Oaks school culture that promote a safe, positive learning environment for all. Staff, parents and students work together to maintain a school where diversity is valued and personal responsibility for choices is honored. At Blue Oaks we follow the guidelines of the Positive Behavior Intervention and Supports (PBIS) system. We believe that it is important for children to have clear expectations for their behavior and be acknowledged for their positive behavior.

We have three school rules we expect all of our students to follow. These are known as the Bear Necessities:

Be Safe  
Be Respectful  
Be Responsible

Expectations for these rules are defined for all areas on campus and explicitly taught to every student. These rules are in effect while on campus, during all school and PTC sponsored activities, and on school buses. Students accept ownership of our school rules through discussion of inappropriate and appropriate choices, role playing, and class meetings. Conflict resolution strategies are modeled and practiced. Students are given opportunities to reflect on the choices they make. It is the intent of the Blue Oaks staff to address negative student behavior at the lowest level of severity. Blue Oaks follows a progressive discipline system with minor violations being handled by classroom teachers or yard duty staff and more severe violations being referred to the principal's office for a conference and parent notification.

Positive Recognition:

Students come together monthly for our "School Sings". At each Sing, one of the six "Pillars of Character" (Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship) is discussed and students from each class are recognized for demonstrating the identified Pillar. Students and staff then sing a variety of songs together to re-enforce our sense of community. At this time, school sings are held on line.

Additionally, to bolster the positive climate, students can earn "Bear Hugs". Bear Hugs are tickets any student can earn from any school employee for demonstrating our school rules. The tickets are placed in classroom containers and drawn both weekly and monthly. Every week a student from each class is chosen to spin the prize wheel. Monthly, 10 students are drawn from each grade level in order to go shopping at the "Bear Hug Store."

Our School Safety Plan is reviewed by March 1st of every year and includes a Crisis Response Plan. Safety drills are conducted on a regular basis to prepare students and staff in the event of an emergency. The Roseville City School District has developed a Crisis Response Plan that outlines the procedures to be followed in the event of an emergency affecting a school site. The plan includes procedures for coordinating resources to respond to any emergency including natural disasters, environmental health issues, accidents, or intruders. Staff have been assigned roles and trained to work efficiently with each other and with other public service officers to ensure the safety of students and staff.

## 2020-21 Types of Services Funded

The annual funding plan concentrates on providing students with materials, tools and experiences to enrich their education. Goals and progress are reviewed annually as a staff, to focus on our student needs when planning the budget. Currently this has been focused on providing support for ELA and Math for all students as well as campus safety and meeting our students' social and emotional needs.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
