2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2024-25 School Description and Mission Statement

Our Mission Statement is:

Upon leaving 5th grade, ALL students at Blue Oaks Elementary will exemplify the six pillars of character and be prepared to successfully complete any 6th grade course.

To achieve this mission, the staff at Blue Oaks will continue developing as a collaborative community of professional learners who are:

- Focused on Learning
- Results Oriented

2024-25 School Description and Mission Statement

- Committed to the continuous improvement of each student and staff member

Our School Vision at Blue Oaks is to:

- * Provide a safe, challenging, and enjoyable learning environment in which each child achieves grade level standards and/or evidences one year of academic growth each school year.
- * Facilitate a strong, home-school partnership in the education process.
- * Clearly communicate expectations and learning targets.
- * Model and promote a love of learning.
- * Teach personal responsibility for choices and actions.
- * Provide opportunities for exposure to, and experiences with, the arts.
- * To support staff in on-going professional development.

Blue Oaks Elementary School opened its doors to kindergarten through fifth grade students in August 2004. It derives its name from the beautiful grove of Blue Oak trees that run through the north side of campus. As of December 2024, the school serves 500 in person TK - 5th graders. Each classified and credentialed staff member is committed to providing a joyful learning environment, in which the unique skills, talents, and needs of each child are recognized. High expectations for behavior, effort and achievement compliment an academically challenging curriculum, based on content and performance standards at each grade level. A strong, home-school partnership is facilitated by high levels of parent participation and by ongoing communication to define and refine the school culture.

Blue Oaks continues to add STEAM programs in our quest to prepare our students for the 21st Century. In order to integrate technology and grade level curriculum, we have iPads in both Transitional Kindergarten and Kindergarten, as well as 1:1 Chromebook access for students in 2nd- 5th grade. In the area of arts, all Kindergarten through Fifth grade students receive weekly music education. Additionally, all TK - Fifth graders participate in Starstruck Showcase (dance show) and we also have a Musical Theatre Program and bucket band for our 5th graders.

Blue Oaks is fortunate to have a very involved Parent Teacher Club which provides a variety of activities for our students. Our PTC sponsors the schools family activities such as trunk or treat, bingo, family dances, and skate nights.

Blue Oaks also has strong ties with the community, evidenced by our annual Student Council sponsored food drive where the donations are given to the local food locker and our Toys for Tots Toy Drive.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Roseville City Elementary held a public hearing on September 12, 2024, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

Year and month in which the data were collected August 2024

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Benchmark 2024	Yes	0

School Facility Conditions and Planned Improvements

General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the Maintenance Office.

Maintenance and Repairs:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District annually inspects wheelchair lifts, tests fire extinguishers, inspects and services all playground backboards, replaces bark on playgrounds and landscaping, and services HVAC units.

School Facility Good Repair Status:

Overall Summary of School Facilities Repair Status-Exemplary

The inspection included a check of possible gas leaks, mechanical systems, interior and exterior doors and windows, interior surface areas, structural damage, electrical, playground equipment, and hazardous materials. In all areas this school passed inspection.

Cleaning Process and Schedule:

The District has adopted cleaning standards for all schools in the District. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget:

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repairs or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Since 2008- 2009 the State has suspended the program due to State Budget Reductions. The District still maintains its own program.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

Mathematics (grades 3-8 and 11)	63	63	49	49	34	35

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Contact Blue Oaks Elementary School Principal, Nicole Cumbra, or Parent Teacher Club President, Nikole Neronde, for more information about opportunities for parental involvement at Blue Oaks. Parents play many active roles in the education of our students, including: enthusiastic involvement as classroom volunteers, Parent Teacher Club members, Watch D.O.G.S., Site Council members, ELAC members, Art Docents, leadership of extra-curricular programs and fundraising campaigns. Over 90% of parents/guardians participate in Back to School Night, Parent-Teacher Conferences and Open House. The majority of parents/guardians participate in PTC events. Many also log onto to the Blue Oaks Parent Teacher Club Website (www.blueoaksptc.com) to stay abreast of school events and activities. The staff, students, and community of Blue Oaks Elementary School are committed to the belief that parent-school partnership is the foundation for successful student achievement, and parent involvement on our campus increases the success of all students.

2024-25 School Safety Plan

There are a variety of purposeful programs and practices embedded in the Blue Oaks school culture that promote a safe, positive learning environment for all. Staff, parents and students work together to maintain a school where diversity is valued and personal responsibility for choices is honored. At Blue Oaks we follow the guidelines of the Positive Behavior Intervention

2024-25 School Safety Plan

and Supports (PBIS) system. We believe that it is important for children to have clear expectations for their behavior and be acknowledged for their positive behavior.

We have three school rules we expect all of our students to follow. These are known as the Bear Necessities:

Be Safe
Be Respectful
Be Responsible

Expectations for these rules are defined for all areas on campus and explicitly taught to every student. These rules are in effect while on campus, during all school and PTC sponsored activities, and on school buses. Students accept ownership of our school rules through discussion of inappropriate and appropriate choices, role playing, and class meetings. Conflict resolution strategies are modeled and practiced. Students are given opportunities to reflect on the choices they make. It is the intent of the Blue Oaks staff to address negative student behavior at the lowest level of severity. Blue Oaks follows a progressive discipline system with minor violations being handled by classroom teachers or yard duty staff and more severe violations being referred to the principal's office for a conference and parent notification.

Positive Recognition:

Students come together monthly for our "School Sings". At each Sing, one of our Bear Necessities (Be Safe, Respectful, Responsible) is discussed and students from each class are recognized for demonstrating the expectation. Students and staff then sing a variety of songs together to re-enforce our sense of community.

Additionally, to bolster the positive climate, students can earn "Bear Hugs". Bear Hugs are tickets any student can earn from any school employee for demonstrating our school rules. The tickets are placed in classroom containers and drawn both weekly and monthly. Every week a student from each class is chosen to spin the prize wheel. Monthly, 10 students are drawn from each grade level in order to go shopping at the "Bear Hug Store." In addition we also have school-wide incentives including fill up a container and meeting 3 markers on the way to the top. The markers along the way are rewarding for the students because once they get to a marker, the school earns extra recess, PJ day and otter pops.

Our School Safety Plan is reviewed by February 1st of every year and includes a Crisis Response Plan. Safety drills are conducted on a regular basis to prepare students and staff in the event of an emergency. The Roseville City School District has developed a Crisis Response Plan that outlines the procedures to be followed in the event of an emergency affecting a school site. The plan includes procedures for coordinating resources to respond to any emergency including natural disasters, environmental health issues, accidents, or intruders. Staff have been assigned roles and trained to work efficiently with each other and with other public service officers to ensure the safety of students and staff.

Fiscal Year 2023-24 Types of Services Funded

The annual funding plan concentrates on providing students with materials, tools, and experiences to enrich their education. Goals and progress are reviewed annually as a staff to focus on our student needs when planning the budget. Currently this has been focused on providing support for ELA and Math for all students, as well as campus safety, and meeting our students' social, emotional and behavioral needs.

Professional Development

In alignment with the Roseville City School District board goals, the Professional Development Advisory Committee (PDAC) plan was developed to create a comprehensive three-year professional development plan for the District. Training is provided to administrators and teachers that align with this plan during four professional development days. In addition, the school sites are provided three additional professional development days to focus on school site goals.

Other areas of professional development at Blue Oaks include:

- Implementing collaborative conversations across all content areas

- PBIS Tier I and II trainings/follow ups in order to maintain an emphasis on a positive school culture

- Implementation of Restorative Practices

- Revisiting our PLCs and how to effectively utilize student data to guide instruction, with an emphasis on analyzing essential standard assessment data to create Tier I and Tier II groups.

- Continuing to refine and improve our use of both math and ELA curriculums, including Designated ELD instruction

- Implementing ELD strategies

- Continue to incorporate our social and emotional curriculum, Second Step, along with other evidence based strategies throughout the school day.

- Providing our staff training on Trauma Informed Practices

This table displays the number of school days dedicated to staff development and continuous improvement.
